

SBL offers training, consultancy and services to meet all your IT and IA needs...

# Approved Security Product Overview

"I needed to get a grasp on the security products used in the Government environment. This course clarified the various products available to me and I was able to make a judgement on the product most suited to my requirements."

*UK Hydrographics Office*

**Duration:** 2 Days

**Cost:** £500 per delegate

**Location:** SBL, York or customer site. Contact us on 01347 812100 to discuss holding a training course at your site.

Please note that all of our training courses can be tailored to meet your specific needs - to discuss further contact us on 01347 812100.

## How to Book

To book a place on this course, or for further information, simply email us on [training@softbox.co.uk](mailto:training@softbox.co.uk) or phone **01347 812100**

**A VETTING STATUS OF BASIC CHECK IS A PRE-REQUISITE FOR ATTENDANCE ON THIS COURSE**

This course is designed to give an overview of security products, with emphasis on those approved by CESG for use in the Government sector.

The course is divided into four areas:

Hard Disk Drive Encryption  
Peripheral Access Management  
Small Mobile Device Encryption  
Network Encryption

We will look at all the products in each area, and discuss the pros and cons of each one. There will be a chance to see live demonstrations of some of these products to qualify their capabilities.

For more information on this or any of our courses, talk to your SBL account manager or contact us on
