Details

Course: Becrypt Media Client

Duration: 1/2 Day

Cost: £300 per delegate or £250 when booked with a Becrypt DISK Protect Course

Location: SBL, York or customer site. Contact us on 01347 812100 to discuss holding a training course at your site.

Please note that all of our training courses can be tailored to meet your specific needs - to discuss further contact us on 01347 812100.

How to Book

To book a place on this course, or for further information, simply email us on training@softbox.co.uk or phone **01347 812100**.

Our Becrypt training courses are developed and delivered by experienced consultants from SBL's Professional Services Team.

This course is aimed at IT Security Professionals, Network Administrators and Technical Support Personnel. By the end of this course you will have a full understanding of the features of the Becrypt Media Client product.

Our Training Consultant's in-depth product knowledge and comprehensive instruction will allow you to maximise the benefits of the product within your own customised environment. Within the course we provide time for practical hands-on experience which will reinforce product knowledge and enhance your learning experience.
